**The Social Plus (TSP), Pristina, Kosovo**

- Consulted regularly with customers on project status, proposals and technical issues.
- Transformed existing software to correct errors, upgrade interfaces, and improve efficiency..

- Software design and development.

#### **Projects:**

- Chat System – Chat system used inside the company, based in ASP.Net Zero version of multi-tenancy. Created using .Net Core 3.0 and SQLite, migrated to .Net Core 5 and changed database to MySQL, code first approach. Frontend is fully Razor
- Ticket System – Ticket system used inside the company. Created using .Net Core 5 and MongoDB, code first approach. Frontend is fully React

#### **Full Stack Developer 04/2020 to 09/2020**

##### **APPDEC | Application Development Center, Pristina, Kosovo**

- Consulted regularly with customers on project status, proposals and technical issues.
- Transformed existing software to correct errors, upgrade interfaces, and improve efficiency.
- Cooperate diligently with other IT team members to plan, design, and develop smart solutions.

#### **Projects:**

- Ecommerce – Ecommerce used in Kosovo by small companies. Migrated in .Net Core 3.0 and SQ, database first approach. Frontend is fully HTML, CSS and JavaScript

#### **OTHER PROJECTS:**

**Social media website (2018-2019):** A project about a social media app used inside Kosovo, to help on dating aspect.

As part of college partnership with different company I helped on creating the base about a dating site/ social media site.

The whole site was a mix of Node, React and MongoDB, using GraphQL

**Report app (2019-2020):** Again, as part of partnership with one of the schools in Pristina, I worked on areporting app that did the school daily, weekly, monthly and yearly report about the grading system. The project was in .Net Core and SQL.

**Carpool app (2020):** As part of a class I did a carpool app fully on React Native and SQLite, the idea was to create something similar to uber. I am still working on it.

## **Education**

---

Bachelor of Science: **Software Engineering (2017 – 2021)**

**Riinvest College, Pristina, Kosovo**
